Employer Description:

Off The Map Hospitality has two locations: Stella Trattoria and The Franklin. Both kitchens make everything from scratch. Nothing comes out of a jar or can in our restaurants. We perform all of our own butchery in-house as well as have a full service bakery on site to make all our desserts & breads. Our bar is just as extensive. We make all of our own syrups and drink mixes ensuring plenty of work for the right individuals. The success of the Off The Map Hospitality Group Restaurants relies on talented, driven individuals that strive for excellence on a daily basis.

Job Descriptions: There are **15-20 positions available overall**. There may be opportunities for you to work your way up to bartender or server depending on your English level and work performance.

Prep & line cooks work in our kitchen preparing food for service. We operate two, full service restaurants and make all of our food from scratch. Line cooks are trained in pantry making salads, appetizers & desserts. Some cooks work the fry station and run the fryers as well as the pizza ovens. More experienced cooks will be trained on the front line running the grill & sauté stations. The **wage is \$11.00/hour and \$16.50/hour for overtime work**.

Dishwasher is an extremely important job! While we hire some workers to only dishwash it is a position that all of our cooks help out with on a day-to-day basis. Many of our dishwashers also work prep. The **wage is \$11.00/hour and \$16.50/hour for overtime work**.

Bussing & barbacking is a tipped position that assists the servers or bartenders in their duties. Setting tables, greeting guests, re-stocking serving & bar areas are just some of the duties associated with these positions. The **wage is \$4.00/hour + tips**.

Work Hours: You should expect to work at least **32 hours per week**. Overtime may be possible, but is not guaranteed. We try to put everyone on a set schedule each week. Managers post work schedules by 5 pm each Thursday for the following week. Kitchen schedules are typically posted two weeks out. Sometimes your hours may get cut due to weather. We have an outdoor deck that seats 100 people. If it is raining we cannot use that area and will pare down staff as needed. Tardiness, work performance, and attitude can also affect hours.

Work Start Dates: You should plan your U.S. arrival so you can begin working **May 15 – June 30**.

Work Finish Dates: We are looking for candidates who can finish work **August 30 – October 15**.

Uniform: Kitchen employees are provided with a chefs coat and aprons but must wear flame retardant pants and close toed shoes. Front of house employees need black shoes & socks, dark wash jeans and a button down white shirt (short or long sleeve). Additionally they will purchase a uniform apron for \$12.00.

English Requirement: Front of house employees must have a decent command of English as they will be directly communicating with guests. Back of house employees need a willingness to work hard and have a positive attitude.

Housing Information: We have secured two residential houses and we are working on a third as well for our summer staff. Ideally all homes will be less than 2 kilometers away from work. We will assign you your house upon arrival, but we are happy to accommodate switches when possible. All of town is within that distance - grocery stores, banks, hospital, and beaches. It is easily walkable and bikeable. We will provide a limited number of bicycles for summer staff at each residence. The housing will cost **\$70.00/week with no deposit**.
