Housing

Housing Type
Provided

Description
Associate housing is co-ed dormitory style housing, with 4 occupants per room. We work to fulfill roommate requests as long as we have open availability.

In order to be the best hosts and ensure the safety of our international staff, Cedar Point encourages students to live in Cedar Point's extremely affordable employee dormitories.

In addition to our 24/7 security staff, our team of RA's (resident assistants) are always available and ready to help our residents any way they can! The online StarRez portal is the hub for all Associate Life activity. Students will receive communication via email regarding next steps once they arrive.

The Associate Recreation Center (ARC) is available for all associates and residents to enjoy a wide variety of activities and amenities including a sand volleyball court, full court basketball, full size soccer field, foosball tables, pool tables, air hockey, and table tennis.

The ARC also has a lounge with large TVs, WiFi, computer lab, and many small card games.
All students will have 72 hours to depart Cedar Point's associate housing after their last day of work.

House Rules

• All Associates are required to follow the policies and procedures outlined in the Cedar Point Resident Experience Handbook. • Access to Cedar Point Associate Housing is limited to active Associates aged 18 and up. Up to two family members aged 18 and up may assist with check in, check out or medical emergencies. • All residential buildings within Associate Housing are multiple occupancy. Each resident is provided access to one locker and dresser drawer. Please limit the amount of personal items brought on campus. • Residency is limited to active seasonal Associates only. If your employment status with Cedar Point changes or comes to an end you are required to leave campus. • If leaving campus for an extended amount of time, even with intent to return, residents must contact the Commons Office before leaving to avoid being marked as a Walkaway Resident. Cedar Point is not responsible for any items left on campus. • The use of and/or possession of drugs (including cannabis), fighting, or the use of and/or storage of weapons on campus will result in immediate termination of your employment. • Residents are permitted to have one (1) handheld can of pepper spray, which is required to be TSA approved. • All Associates and their guests are required to follow all posted signage throughout campus buildings, common areas and parking lots. • Graffiti and/or instruments potentially used for graffiti are strictly prohibited. • Remote controlled cars, helicopters, drones, and other like toys are not permitted on Cedar Point property, including the Associate Housing Campus. • Outside furniture or fixtures including, but not limited to desks, couches, dancing poles, and mattresses are not permitted within resident rooms or anywhere on the Associate Housing Campus. • For the safety of all residents, rollerblading, skateboarding, roller-skating, scootering, and monorovers (hover boards) are not permitted on the Cedar Point Associate Housing Campus including parking lots. • Bicycles (including E-Bikes) are to be stored in designated areas and are not permitted inside your living space or in hallways. Please be cautious while riding. • Pets of any type are not permitted on the Associate Housing Campus, including fish. Emotional Support Animals (ESAs) are required to be registered and be given approval through Cedar Point's formal ESA application process prior to being permitted on Campus. • As a courtesy to fellow residents, the use of personal speakers is prohibited in all indoor common areas including hallways, laundry rooms, restrooms, and showers. • Use of your assigned room may only be used as a residential dwelling; any other use is prohibited.

Cleaning Responsibilities

Residents are expected to utilize facilities, furnishings, and equipment for their intended purpose and clean up after themselves. You are expected to keep all areas of your room clean, uncluttered, and free of odor. Associate Housing has made available general cleaning supplies such as Ecolab 14 disinfectant, vacuums, brooms, and dustpans for loan at each RA desk. All items borrowed must be returned to the desk on the same day. Free trash bags are provided at each RA desk and the Commons Office. Dumpsters are available throughout campus for room trash disposal. Please do not set items next to dumpsters, in hallways or in common areas. Residents found to be in violation of this policy may be subject to disciplinary action, up to and including eviction from Associate Housing.

Laundry

Laundry is free for active Associate Housing residents. Most locations throughout the campus have an in-building laundry room. A central laundry room is also available at the Commons Office. Residents are responsible for the laundering of their bed linens, bath towels, and personal clothing items. Associate Housing does not provide laundry detergent but, a limited selection of laundry products is available for purchase in Market C.

Beginning September: Weekends only through October 31st with varying hours between 8 am and midnight. Shifts vary in length from 8-hour, 10-hour, and 12-hour shifts. (Average 32-50 hours per week.)

Work schedules are dependent on park attendance and weather. The average work week is 5 days, 32 – 40 hours per week. However, hours may increase later in the season (August – early September).

Our Wardrobe team will provide two uniform shirts for all positions and two pairs of shorts for most positions at no cost. Associates will be required to provide their own pants and shoes for all work locations. (Out of pocket expense of roughly $75). Uniforms vary on work location and more information will be provided during wardrobe fitting. Most positions require a closed toe athletic shoe that is mostly white, gray, or black with no bright neon colors.

Training requirements:
Human Resources Orientation and Culture Training, Resident Life Training Department Orientation
*Your first day in the park will depend on your start date and role. Department training courses are held on specific days and times and some department training takes longer than others.

Participants will be using cleaning chemicals.
Employees will be assigned location by department manager.
