Cultural Opportunities

In the area

There are many restaurants, clothing and outlet stores, movie theaters etc. that are a short drive from the job site. The amusement park is located in a very rural area in the beautiful New Hampshire White Mountains, with many outdoor activities including hiking, climbing, biking, swimming, and boating. The days are warm, and the nights can get cooler, especially into September and October. The park is somewhat isolated, but there are many employees, and there is plenty to do in the area. We hope to be able to provide opportunities to visit other nearby attractions including the ocean along the coast of Maine, however these are not guaranteed.

Provided by Host

We have cast member parties here at the park and off site at other attractions. When we are able, we set up trips to other attractions in the area and plan trips to the ocean.
