There is "J-Day" (nation-wide event), J Outtings (where they all meet to go to a local show, park, nature walk, amusement park), Arrival meetings (where they go over some basic communication, town info, safety for bikes and walking, etc.). On site, we had some pot lucks (one was called Beast Fest where local would cook and bring in strange things that Ozarkians eat-like rattlesnake, possum, boar, etc.), another was where the students cooked food from their country and brought in for lunch (we bought many of the food supplies for them), and then every year I would take all the J1's out for an afternoon on the lake (boating, skiing, tubing, swimming). I also arranged a trip to the local amusement park (partnered with Marketing/Sales to get a huge discount or free tickets for them).
