Xanterra Parks and Resorts - Yellowstone National Park - 2024 Summer

We are the primary concessionaire in Yellowstone National Park and part of the Xanterra Travel Collection® family. We manage and operate the park hotels, restaurants, gift shops, and interpretive tours and activities. Spend your summer in the world's first National Park! If you like nature, hiking, camping, and enjoying the outdoors, Yellowstone might be the perfect summer experience for you! Yellowstone National Park features over 1,000 miles of hiking trails, mountains, rivers, and streams, wildlife, and geological features including geysers, hot springs, and more. Our jobs are similar to many other places in the U.S., but this is a very special place located in the middle of the wilderness. You will live and work in one of the 6 remote villages within Yellowstone National Park with other Work and Travel students and employees from the United States. All villages have their own Employee Dining Rooms and recreational activities.
